
NOTICE TO MARINERS

No. H. 110/2024

RIVER TRENT
EAST BUTTERWICK
UNDERWATER GAS PIPELINE SCOUR REPAIR WORKS

MARINERS ARE ADVISED that commencing on Friday 13th September 2024 (or as soon after as circumstances permit) and continuing for a period of approximately six weeks, essential scour repair works will be carried out on the underwater gas pipelines of the river Trent at East Butterwick. Lat 53°31'35"N, Long 000°44'16"W.

The works will involve the tug "**CHRISTINE**" and the barge "**SEA VOYAGER**" (LOA 34 metres), which will remain on station at East Butterwick for the duration of the works, laying aggregate rock armour onto the riverbed.

Works will be undertaken between the hours of 0500hrs and 1700hrs and whilst ongoing, there will be a safety boat deployed both upstream and downstream of the works to liaise with river users. "**SEA VOYAGER**" will contact VTS Humber each day to confirm commencement and completion of work.

The barge "**BATTLESTONE**" will be involved in the works including the transport of aggregate from Grove Wharf to the "**SEA VOYAGER**". Each load of aggregate will be positioned onto the riverbed using the onboard excavator crane.

The "**BATTLESTONE**" and "**SEA VOYAGER**" will display the lights and signals prescribed in the International Regulations for Preventing Collisions at Sea and will maintain a listening watch on VHF channels 16, 17 and 77.

MARINERS ARE REQUESTED to make early contact with the "**SEA VOYAGER**" on VHF channel Ch 77 before approaching the site to agree safe passing.

MARINERS ARE FURTHER REQUESTED to pass at slowest possible speed.

CAPT. A. FIRMAN.
HARBOUR MASTER, HUMBER

12th September 2024
