
NOTICE TO MARINERS

No. H. 43/2025

R I V E R H U M B E R

IMMINGHAM OIL TERMINAL BERTH 2
FENDER WORKS

NOTICE IS HEREBY GIVEN that on Friday 28th March 2025 (or as soon after as circumstances permit), fender installation works will take place at Immingham Oil Terminal berth 2.

The work will be undertaken by the crane barges “**REBECCA M**” and “**MORTLIFT**”, assisted by the tug “**SVITZER MADELINE**” during daylight hours. A safety boat “**JOHN ELLIOT**” will be deployed whilst works are in progress.

It is not intended that any berthing restrictions will be required on IOT 1 or IOT 3; however, operations may be suspended during times when vessels are berthing or unberthing.

The “**REBECCA M**”, “**MORTLIFT**”, “**SVITZER MADELINE**” and “**JOHN ELLIOT**” will display the lights and signals prescribed in the International Regulations for Preventing Collisions at Sea and will maintain a listening watch on VHF channels 12, 16 and 69.

MARINERS ARE ADVISED to exercise care and caution in the area and to pass the site at SLOW SPEED whilst the crane barge is alongside. The crane barge will contact VTS and Immingham Dock before the commencement and on completion of operations.

CAPT. A. FIRMAN
HARBOUR MASTER, HUMBER

27th March 2025
