# NOTICE TO MARINERS

---

No. H. 46/2025

## R I V E R H U M B E R

### SKEFFLING EMBANKMENT DRAINAGE WORKS

**MARINERS ARE ADVISED** that from 2<sup>nd</sup> April for a period of approximately 5 weeks excavating will take place on additional drainage channels, over a length of approximately 1.5 miles, to the level of the existing foreshore at Skeffling as part of the managed realignment scheme.

The drainage channel works will be undertaken within the scheme red line boundary which extends from 53°39'04"N Latitude, 000°01'33"E Longitude and 53°38'38"N Latitude, 000°04'03"E Longitude.

All works will be completed using plant which will access the site from the landward side and no marine craft will be used.

**CAPT. A. FIRMAN**  
**HARBOUR MASTER, HUMBER**

1<sup>st</sup> April 2025

#### THE INTERNET

In order to widen communication between ABP Humber Estuary Services and those with an interest in the estuary, you are invited to visit our website which carries a wide range of information, including current live weather and Buoy positions, charts, tidal information and copies of this and other Notice to Mariners.
