R I V E R H U M B E R

LOWER HUMBER SURVEY OPERATIONS

MARINERS ARE ADVISED that from Wednesday 24th March 2021 (or as soon after as circumstances permit), for a period of approximately four months that intermittent survey operations will be conducted in the Lower Humber by Naval vessel **HMS MAGPIE**.

The vessel will liaise closely with VTS Humber during the operation to avoid unnecessary conflict with commercial traffic and will exhibit the lights and shapes prescribed by the International Regulations for Preventing Collisions at Sea, display her own AIS signal, and will also maintain a listening watch on VHF Channels 12 and 14. The vessel can be contacted on VHF using the prefix "**MAGPIE**".
