STANDING NOTICE TO MARINERS

(No. S.H.43)

NAVIGATION IN THE VICINITY OF TIDAL STREAM GENERATORS IN THE RIVER HUMBER

MARINERS ARE ADVISED that vessel movements in the vicinity of tidal stream generators in the Humber are subject to a General Direction for navigation.

Craft navigating in the vicinity of a Tidal Stream Generator are prohibited from approaching within 75 metres of such a structure as marked on the current published chart of the area.

Any person who without reasonable excuse navigates, anchors or engages in fishing from a vessel within such an area shall be in contravention of this General Direction.

This direction does not apply to a person navigating a vessel within such an area for the purpose of, or in connection with, the construction, maintenance or operation of the works.
