STANDING NOTICE TO MARINERS

(No. S.H.30)

NOTICE TO SHIPOWNERS, AGENTS, MASTERS AND PILOTS

DREDGED DEPTH IN THE SUNK DREDGED CHANNEL

MARINERS ARE ADVISED that the Sunk Dredged Channel is regularly dredged. The **LEAST AVAILABLE DEPTH (LAD)** will be announced by VTS Humber in their regular river broadcasts on Channel 12, 14 and 15. Mariners requiring the latest information, however, about depths in the Channel can obtain this from VTS Humber on demand.

LEAST AVAILABLE DEPTH (LAD), is the least depth found in the 150-metre wide channel marked by the Hydrographer, Humber and promulgated by Harbour Master, Humber.

This notice comes into effect from 10th October 2019.

Standing Notice to Mariners S.H. 30 dated 09 July 2007 issued by Associated British Ports is hereby cancelled.
